Hello Doctor

Talk to a doctor on your phone, anytime, anywhere, in any South African language - for free advice

Momentum Medical Scheme members get free access to Hello Doctor, where you can get the medical advice you need, 24/7.

Hello Doctor is available on your Momentum App. Just tap the Hello Doctor icon on your home screen, request a phone call and the doctor will phone you back.

No service fees or charges apply when you use the Hello Doctor advice service. All you need is data or a WiFi connection to use your app, and since our doctors call you - you won't even need to use your airtime.

No waiting rooms, no worries. Download the Momentum App and ensure you and your family stay healthy and happy with relevant and reliable health advice at the touch of a button.

Virtual telehealth consultations - an additional paid-for service that offers more than just free advice over the phone. A full virtual telehealth consultation can be held with a doctor, for a fee of just R292 per consultation.

Doctors can diagnose and treat certain conditions and electronically prescribe certain scheduled medications. Acute medicine prescriptions can be sent to your pharmacy of choice. Members on the Evolve Option get two free virtual consultations per year, while members on the Ingwe Option get three free virtual consultations per year. Members on all options may also choose to pay for a virtual telehealth consultation using available funds in their HealthSaver or medical savings account, or a credit or debit card.

Momentum App

The Momentum App gives you access to all your products in one place. You can check your HealthSaver balance and HealthReturns earned at a glance. In fact, you will find a world of information behind the HealthSaver tile - including the lists of Healthcare partners and Lifestyle partners where you can spend your HealthSaver funds.

If you link your preferred digital wallet to the Momentum App and upload your physical HealthSaver card (available in 2026) to the wallet, you can tap to pay providers who do not have compatible Scan to Pay facilities.

With the Momentum App, pre-notifying for Health Platform benefits is quick and easy, and you can also submit and track claims, easily request your international travel certificate, or register on the maternity programme.

HealthSaver Overview

Save for additional healthcare expenses

The HealthSaver account can be used to fund healthcare related expenses, such as

- co-payments,
- cosmetic surgery,
- refractive eye surgery, and
- vitamins,

as well as your monthly medical scheme contribution, provided you are the contribution payer and you have accumulated sufficient funds to do so.

You can have a HealthSaver account without making contributions into it - it could simply be where you receive the HealthReturns you earn. If you choose to contribute into the account, you can also apply for up to R36 000 in credit, subject to National Credit Act credit scoring criteria.

Integrated HealthSaver pockets

Your HealthSaver balance consists of:

- **Savings Balance** (accumulated through ad-hoc or flexible monthly contributions), and
- **Rewards Balance** (accumulated through any cashbacks, Guaranteed HealthReturns, Active HealthReturns, Savings Booster, HealthSaver Booster and Wellness Booster).

You can earn cashbacks by interacting with a range of Multiply partners, while you can earn HealthReturns by being active and adhering to prescribed care. We pay you a Savings Booster on your positive HealthSaver savings balance.

You can use Savings and Rewards to pay Healthcare partners like doctors and pharmacies, whereas Lifestyle partners like clothing or gym membership can only be paid from Rewards.

Transacting is as simple as using Scan to Pay via the Momentum App, or presenting the physical HealthSaver card (available in 2026) at vendors that do not offer compatible Scan to Pay capabilities. You can link any of the major payment wallets like Google Pay seamlessly to the Momentum App. That means once you have added your HealthSaver card to the wallet of your choice, you can pay with your phone at a much wider range of vendors. If you are not sure whether you are able to transact with a specific vendor, you simply click on either Healthcare or Lifestyle partners to select the partner of your choice and pay the listed provider.

You also have the flexibility of giving your adult dependants access to view the total HealthSaver balance, as well as a breakdown of HealthReturns earned per member - because healthy competition can be the best motivator!

Open a HealthSaver account in 5 minutes

You can sign up for a HealthSaver account via the Momentum App, and enjoy immediate access. If you opt to apply for CreditSaver, you can do so in real time and get your credit report via the Momentum App. Irrespective of whether you have a waiting period on your Momentum Medical Scheme membership, you will have access to your HealthSaver account as soon as you join Momentum Medical Scheme.

What do you need to do?

Be active, know your health (by completing a digital or in-person health assessment and a digital or in-person fitness assessment), and follow the compliance rules.

Dynamic Savings Booster linked to your health

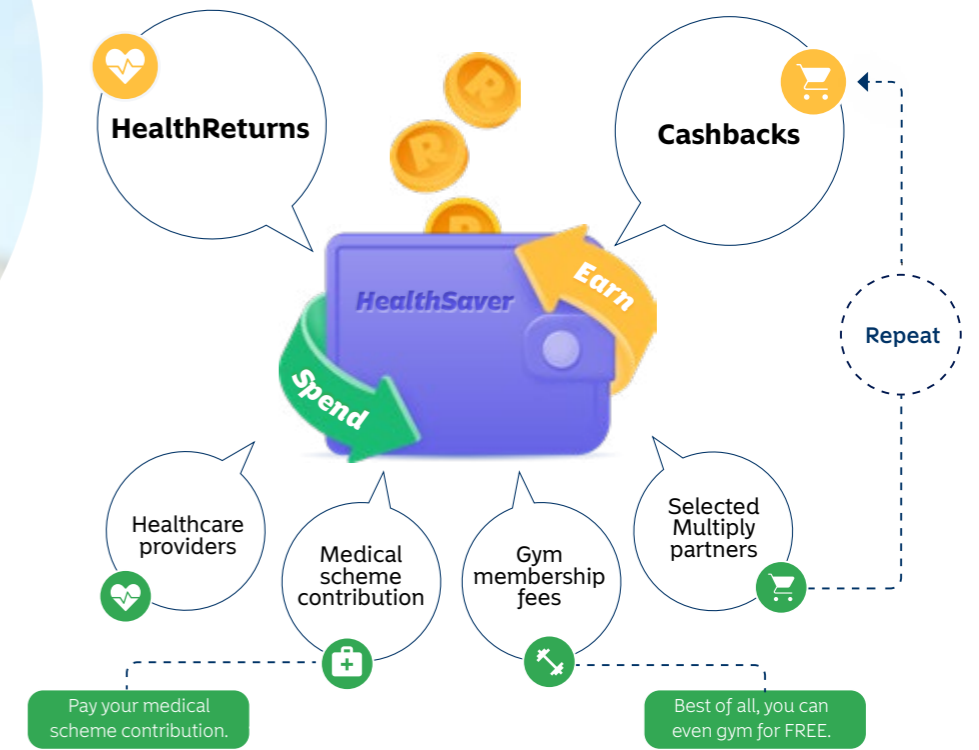

You can earn a **Savings Booster** of up to **10%** on your positive HealthSaver Savings balance and access CreditSaver for free.

The Savings Booster you earn on your positive HealthSaver Savings balance, as well as the CreditSaver penalties we charge on your credit balance, is based on your Healthy Heart Score and fitness assessment level.

Healthy Heart Score	Fitness assessment level	Effective annual Savings Booster rewards on positive balances	Discount on CreditSaver penalties
Green	Level 5	10%	100%
Amber-Green	Level 4+	5%	50%
Amber	Level 3+	2%	15%
Amber-Red	Level 2+	1%	5%
Red	Level 1+	0%	0%

To earn a Savings Booster, you need to pay contributions into your HealthSaver account. This can be ad-hoc or fixed monthly contributions.

If your Healthy Heart Score is Amber Green, Amber or Amber Red, your Savings Booster will be calculated based on Amber.

gap

Protect yourself from shortfalls and co-payments

Momentum GapCover offers you supplementary cover to assist with shortfalls in the event of hospitalisation involving surgery or medical treatment, as well as for certain procedures performed out-of-hospital or in a day clinic. You can choose between the more affordable GapCover Primary, or the more extensive benefits offered by GapCover Supreme.

+ Momentum GapCover Supreme

Shortfall benefits	These benefits aggregate to a maximum benefit of R219 800 per insured person per year
Benefit for shortfalls in medical practitioner costs for in-hospital procedures	Covers the shortfall between what the medical practitioner charged and the medical scheme paid, up to three times the amount paid by the medical scheme
Benefit for shortfalls in allied professionals costs	Covers the shortfall between what the allied professional (such as a physiotherapist) has charged and what your medical scheme has paid for in-hospital care, following an associated in-hospital procedure. This is paid up to three times the amount paid by your medical scheme towards in-hospital shortfalls and is limited to R2 500 per policy per year
Co-payments	Covers co-payments applied by the medical scheme for certain specialist procedures and hospital admissions
Co-payments on oncology treatment	Covers the 20% co-payment applied to oncology treatment after the medical scheme limit has been reached
Casualty benefit	If you visit a casualty ward within 24 hours of an emergency caused by an accident, we will pay up to R24 000 of all costs incurred. This benefit is limited to five casualty visits per family per year. Three of these visits, limited to R5 000 per policy per year, may be used in an emergency (regardless of whether it was an accident) for a child aged eight years or younger. The cost of these three visits would count toward the R24 000 annual limit
Internal prosthesis benefit	Covers the shortfall between the cost of the internal prosthesis and what your medical scheme paid, up to a maximum amount of R35 000 per policy per year. Stents and pacemakers are covered up to a sub-limit of R8 000 per claim event. This sub-limit is subject to the overall policy limit of R35 000
Robotic procedures benefit	If your condition requires the use of robot assisted surgery, the robotic procedures shortfall benefit will cover the shortfalls charged by medical practitioners, up to three times the amount paid by your medical scheme
Robotic procedures co-payment benefit	If your condition requires the use of robot assisted surgery and your medical scheme levies a co-payment, we will cover up to R12 000 per policy per year

Assist benefits	These benefits do not aggregate to the R219 800 cap
Cancer assist benefit	If you are diagnosed for the first time whilst covered on this policy with minimum stage 2, local and malignant cancer, we will pay you R8 000 If, however, you are diagnosed with minimum stage 2, regional and malignant cancer, we will pay you R20 000 If, after receiving the R20 000 benefit, your medical scheme pays more than R200 000 for the cost of your oncology treatment within 12 months of your diagnosis, we will pay you a further R15 000 This benefit is payable once in a lifetime per person covered on the policy
Breast reconstruction benefit for non-affected breast	If you are diagnosed with breast cancer and require cosmetic breast reconstruction for the non-affected breast due to a mastectomy, we will provide cover of R15 000 per policy per year
Accident assist benefit	Benefit of R55 000 payable for death or permanent disability due to an accident. Subject to one claim per insured per lifetime
Violent crime benefit	Benefit of R110 000 payable for death or permanent disability due to a violent crime
Premium waiver benefit	Benefit of R36 000 will be paid upfront upon the death or permanent disability of the premium payer covered on the policy
Baby bump benefit	Benefit of R2 500 payable when existing GapCover member falls pregnant
Trauma and bereavement counselling	If you are a victim of, or witness to, a traumatic accident, or if you lose an immediate family member, we believe that undergoing trauma and bereavement counselling is an important step in recovery. We will pay a fixed amount of R800 towards the cost of each counselling session, limited to R30 000 per family per year
